

Avebury - The Song of St One

A Workshop with Suprpto Suryodarma (Prapto)
Saturday 29th June – Friday 5th July 2019

Now in its 11th year the Avebury workshop draws people from across the UK, Europe and Asia to its rich environment for exploring and embodying our relationships with nature, with time, and with each other, and for moving, sounding and creating ritual, performance, song and story.

Avebury is a place where the ancients and the everyday rub together, a living village with a pub and corner shop, welcoming visitors and the curious whilst carrying on with village life, and a church where the Vicar warmly creates inter-faith services and welcomes all. Participants will work and live alongside each other in the heart of the village, working amongst the Stones and other nearby ancient sites.

Cost for the week long workshop is £395 plus food and accommodation.
